You’ll know you’re having a big impact, and you can see examples of impacts like yours in *Trumpetings* newsletters!

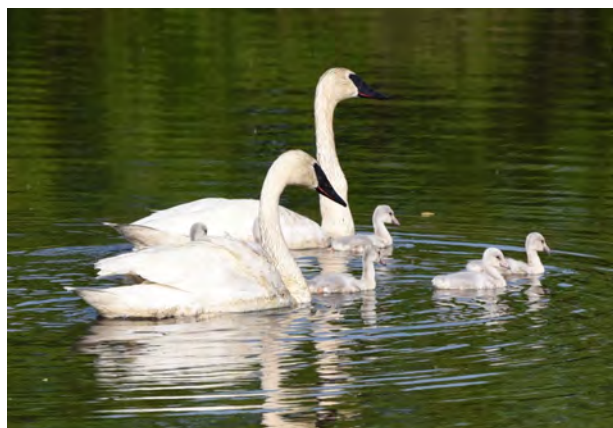

TRACK A SWAN ~~~~~

As a swan finds new habitat, it is important to know if it is in an area that is safe, secure and known. **Your gift reviews a Trumpeter Watch swan sighting and shares it where it is needed most.** Your gift gives vital information about the swan and its family to the agency responsible for swans in that area.

Review & Share 1 Swan Sighting	Item #01	\$40
Review & Share 2 Swan Sightings	Item #02	\$80

ADOPT A SWAN ~~~~~

Your “Adoption” is symbolic

Powerline collisions and lead poisoning injure and kill swans. Degraded habitats are a threat to swan health and safety. **Your gift is used for swan health and habitat.**

Adopt One Swan Family

Item #04 \$100

BUILD A WINTER SWAN HOME ~~~~~

Young captive swans that will be released into the wild in spring need an enclosed, safe area to grow strong during winter.

ANSWER A SWAN QUESTION ~~~~~

Questions about swans often need answers right away. How can you tell the difference between tundra and trumpeter swans in places they share, especially in hunt zones? How do you know if a swan is sick or injured and needs rescue? Is a swan in a habitat where it will thrive or face danger?

Your gift answers a swan question.

Answer 1 Swan Question

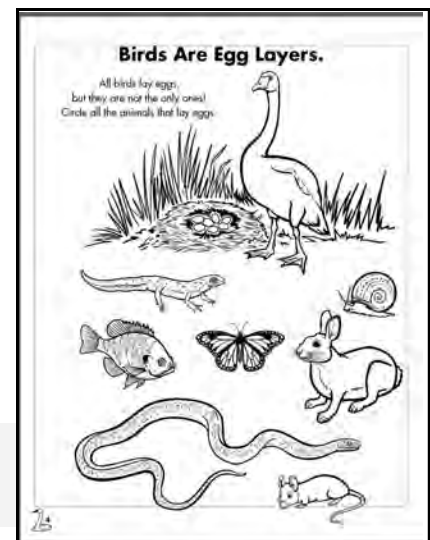

Item #07

CREATE A SWAN ACTIVITY BOOK PAGE ~~~~~

A child today is often in nature less than a child in the past. That means there is less understanding of the natural world that is needed for its protection. **Your gift connects a child to nature through learning about trumpeter swans and the habitats they use through the year.** Each downloadable book has activities geared to students K-2 or grades 3-5.
